

Esteemed Legislators,

Bring Denver TV to Durango. In fact, it's time to make it to all citizens of Colorado.

We don't need it to catch up on "Matlock" reruns. We need it to stay apprised of the important issues that face our state's government and economy.

You cannot possibly expect us to be responsible citizens while keeping us in the dark about the pressing issues.

It is long past time to put this matter to rest. Bring Denver TV to southwestern Colorado now.

"Educate and inform the whole mass of the people... They are the only sure reliance for the preservation of our liberty."
